Dear Family and Friends,

In 2006, The Academy Christian School began as a home school under the instruction of Wendy Lipe. In 2007, the Lord opened up an opportunity for us to move to Grace Ministries in Rock Hill, and become a state recognized Christian school through American Association of Christian Schools and South Carolina Association of Christian Schools. We started with only 7 students, 2 teachers, and a heartbeat for missions. In 2012, the Lord blessed us with our own campus, located on West Border Road in Rock Hill, where we now have the ability to serve many families.

We here at ACS provide quality Bible-based education using the Accelerated Christian Education (ACE) Curriculum. Along with that, we maintain a level of integrity with our families as we have guidelines and stipulations in place for those who attend our school. Our student handbook is available upon request.

For the past ten years, we have had a scholarship fund available for families with multiple children or families with disabled/deceased parents. These scholarships have been a blessing to many families over the years to help pay for tuition, books, and uniforms.

As we finished the 2018-2019 school year, this scholarship fund has been depleted. Would you prayerfully consider making a tax-deductible donation to this fund, so we can continue to help these families in need? The current cost for the 2019-2020 academic year is approximately \$4,500 which includes tuition, books, and uniforms.

Any funds donated to this program will be used with the utmost integrity as we look to honor our Lord Jesus Christ and hold those families who receive these scholarship funds accountable to this as well.

Thank you for your prayerful consideration of this request.

Educating for Eternity with Jesus,

ACS School Board
